

Unleashing Your Leadership Potential 4.0 – a program for Band B Leaders

This is an 8-module program delivered through a blended learning approach that includes 4 face-to-face sessions (1 day per term) supported by a suite of resources and a secure on-line learning platform. The 8 modules are organised into 2 core units – *The New Learning Paradigm* and *Continuous Engagement with School Reform*.

Unleashing Your Leadership Potential

was developed by SASPA in conjunction with its peak national body, ASPA.

It is based on the knowledge and experience of 100 secondary principals collected through the Talking Heads program, 2012 – 2014.

2016 – UYLP 1.0: 36 graduates

2017 – UYLP 2.0: 43 graduates

2018 – UYLP 3.0: 34 participants

SASPA's UYLP program gets better every year.

The best is yet to come!

2019 Program Dates:

Session 1: 4 th March (Week 6, Term I)	Session 3: 16 th September (Week 9, Term III)
Session 2: 24 th May (Week 4, Term II)	Session 4: 22 nd November (Week 6, Term IV)

Note: Whilst this program has always been run as a state-wide initiative, there is no reason why enterprising leaders in country regions couldn't request a regional version to be delivered concurrently with the state-wide program. As a general rule-of-thumb, SASPA would need a minimum of 20 leaders for a regional variant of UYLP – please contact kym.oloughlin@saspa.com.au to express your interest in this format.
