

**Unleashing Your Leadership Potential 6.0** – a program for Band B Leaders

This is an 8-module program delivered through a blended learning approach that includes 4 face-to-face sessions (1 day per term) supported by a suite of resources and a secure on-line learning platform. The 8 modules are organised into 2 core units – *The New Learning Paradigm* and *Continuous Engagement with School Reform*.

**Unleashing Your Leadership Potential** was developed by SASPA in conjunction with its peak national body, ASPA.

It is based on the knowledge and experience of 100 secondary principals collected through the *Talking Heads* national program, 2012 – 2014.

**Note:** Whilst this program has always been run as a state-wide initiative, there is no reason why enterprising leaders in country regions couldn't request a regional version to be delivered concurrently with the state-wide program. As a general rule-of-thumb, SASPA would need a minimum of 15 leaders for a regional variant of UYLP – please contact [kym.oloughlin@saspa.com.au](mailto:kym.oloughlin@saspa.com.au) to express your interest in this country-friendly format.
