

Monday 2<sup>nd</sup> March

Venue: Blackwood High School – The Imagination Centre  
 A Professional Learning Forum for Secondary Maths Leaders

<b>Forum's Purpose:</b> A network approach to building professional capacity for Maths Leaders.			
<b>Topics for Exploring:</b> 1. What matters most in contemporary Mathematics secondary curriculum and pedagogy? What is your vision? What are you "going after"? 2. What are the leadership implications for enacting this vision?			
<b>To Prepare for this Workshop:</b> <ul style="list-style-type: none"> <li>Clarify your thinking about what constitutes a high quality contemporary secondary Mathematics program.</li> <li>If it is not already realised in your school, what are the leadership implications?</li> <li>Check out <a href="https://www.youtube.com/watch?v=vLQvVJ8yCY0">https://www.youtube.com/watch?v=vLQvVJ8yCY0</a></li> </ul>
