# RATIONALE

## Rationale (Developed April 2020)

### Purpose

The purpose of this document is to outline the procedures for continued delivery of education programs at Clare High School, in the event of prolonged school closure, and/or need for online delivery. The aim is to:

- articulate clear processes and expectations for managing teaching, learning and wellbeing
- ensure continuity of learning for all students
- ensure integrity and fairness in assessment

### Definition

In the event of prolonged closure or the need for online delivery of teaching and learning, Clare High School teachers will utilize online platforms (Daymap & Teams) to allow real-time, authentic and rich learning for all students. Students and teachers will connect, collaborate and learn in online classes. All students will have the same opportunities to excel.

# TECHNOLOGY

## Direction for Digital / Distance Learning

### 1. CHS identifies Daymap as our main (Learner Management System).

- Daymap includes learning resources as well as many other things. Daymap is created as a platform that supports a face-to-face teaching environment. There is no 'live' interactivity. We have considered other options (see # 3 below) slightly beyond this when establishing plans and programs for any distance learning. It is still our primary LMS. It is where all course outlines, lesson notes and plans, assessment, student notes, bulletin, reports and feedback are to be placed.
- Student notes and/or records are created for anecdotal, wellbeing, behaviour, parent contact etc... during any periods of distance learning.

### 2. Separate to Daymap, our students access all other things through their LearnLink account.

- LearnLink accounts are provided to students by the Department.
- Our direction to families (refer newsletter on 26/3/20) is that students must familiarise themselves with access to Daymap and Learnlink at home, and **parents should also be connected to Daymap** (contact IT support as required).
- Anything that must be emailed to a student is done so through their LearnLink address. Students are encouraged to check emails regularly. The majority of messages will be through Daymap first of all as well as Teams.

### 3. To avoid overloading and confusing students with too many applications.

- Beyond Daymap, our students may access learning content through MS Teams or OneNote. Consideration given to running OneNote through Teams or as its own application.
- If teachers are not comfortable or familiar with doing anything other than using Daymap, then there will be no requirement for them to do so. Teachers' wellbeing is not to be compromised because of the stress of creating additional resources, or working in a forum in which they are not familiar. Moving forward, we are providing support and training to improve teacher capacity in these forums.
- Teachers are welcome to create other resources, such as making a video file/screen recording of some work to complete, but that file will be presented to the student through Daymap, Teams or OneNote only. This does not limit the resources that teachers use, but it will prevent students being overwhelmed and lost in moving from learning in one subject to the next.

### 4. Resetting a student Learnlink password (All staff to familiarise).

- It is staff and student LearnLink accounts that are used to login and use Office 365 and, in turn, Teams and OneNote. Students must take steps to keep their accounts active, by updating their password when required.  
Staff can reset a student's password by accessing their own LearnLink account.

# TECHNOLOGY

## **5. Video Conferencing / Meeting is to be used in some capacity.**

- To be used by the teacher given they are comfortable with this environment.
- All video conferencing to be via Teams Meeting or Zoom.
- All staff will be directed to use the same conferencing platform. Zoom is to be the way forward as a virtual meeting platform where links to the meeting can be posted in Daymap or Teams.
- Protective Practices must be considered at all times.
  - i. Consider this to exclude options such as 1 – 1 video meeting, for example.

# TECHNOLOGY

## PROTOCOLS TO SUPPORT 'LEARNING AT HOME' – VIDEO CONFERENCING FOR SACE/ALL STUDENTS

As we transition to 'Learning At Home', it is likely that video conferencing will be used to *complement* other online learning, resources and supports – primarily via *Day Map*. Its use will vary – depending on the subject and teacher.

### Teachers will:

- Consider carefully why they are having the video conference and use it well.
- Ensure that students have necessary resources prior to the session.
- Use the sessions to ensure students understand the content, do some collaborative discussion and making sure before the session ends that the students know what the next steps are.
- Schedule video conferences within normal school hours, timetabled lesson time
- Choose the most appropriate software for their needs and register with their school email address
- Protect their privacy by ensuring a professional background
- Be professionally dressed
- Will not deliver one-to-one video conferences. The minimum group size for a session would need to be three.
- Exercise vigilance and ensure that only students who are part of the class are involved in lessons
- Record the lesson and then publish to the group/class at the teacher's discretion – but without images of class members.
- Remove students from the video conference who are behaving inappropriately
- Make provision for leaders to be able to access/monitor online materials and video conferences.

### Students learning at home or learning onsite will:

- Recognise that normal school expectations apply - See CHS Responsible Behaviour Code
- Ensure that the only participants in video conferences, beyond staff, are students enrolled in the class
- Come prepared for sessions – including having read, watched or listened to relevant resources.
- Be wearing school polo top or HPE top (students onsite must be in full Clare High School uniform).
- Join the video conference from a common space (i.e. not bedroom)
- Protect their privacy by being mindful of the background
- Not record nor photograph any part of the conference
- Engage respectfully in discussions
- Supply own earphones compatible to their device.

### Parents will:

- Encourage and support their child's learning including providing a suitable environment at home for a video conference when required
- Not participate in video conferences. If their child requires additional support, they will contact the teacher outside of video conferences.

# TEACHING & LEARNING

## Delivery of Teaching & Learning

### Timetable

Lessons will run according to student & staff Daymap timetables

MONDAY			TUESDAY			WEDNESDAY			THURSDAY			FRIDAY		
8.45am	R/C		8.45am	R/C		8.45am	R/C		8.45am	R/C		8.45am	R/C

1.35pm	5		1.35pm	5		1.35pm	5		1.35pm	5		1.35pm	5	
2.30pm	6		2.30pm	6		2.30pm	6		2.30pm	6		2.30pm	6	
3.25pm		Dismissal	3.25pm		Dismissal	3.25pm		Dismissal	3.25pm		Dismissal	3.25pm		Dismissal

### Lesson Delivery

Daymap / Microsoft Teams / Zoom:

- **At least two 'teacher contact' lessons per week with the whole class**
- The remaining lessons the teacher will be available for student interaction
- Some formative activities may be delivered using features of Microsoft teams ie Notebooks, One Note, Zoom (use of USB for videos if required).

### Lesson Materials & Instructions

The following supplementary learning materials are available via Daymap or hardcopy\* (pick-up or post from Clare High School):

- Course Outlines
- Lesson notes
- Resources and learning objects
- Homework notes
- Summative assessment including timelines/due dates
- Task sheets and assessment criteria
- Feedback on all summative assessment tasks
- Publish results/grades/ feedback to students

Students will be required to submit the following via Daymap or hardcopy\* (drop off or post to Clare High School):

- Formative tasks
- Summative tasks

\*NOTE: Students who have no internet service or unreliable internet service at home will be supplied with hard copy school work packs. Parents to please contact the school to arrange pick-up or posting.

	Indicates a Teacher Contact Lesson				

KEY COMPONENTS FOR PARENTS & STUDENTS WHEN PUTTING TOGETHER YOUR LEARNING AT HOME SCHEDULE
ACADEMIC STUDY SESSIONS (3 x 1-hour blocks as a guide only) Complete Daymap work or participate in a Teacher Contact Lesson
WELLBEING HOUR (1 Hour) Could include Art, Music, Mindfulness, Baking, Drawing, Making or Wellbeing Activity from Daymap
CHORE & HELP TIME (30 Minutes) Pitch in around home to help out your family and work as a team
GET ACTIVE HOUR (1 Hour) Physical Activity of your choice. Could include Walking, Running, Circuit, Bike Ride, Yoga, Dance, Sport, Horse Riding, Motor Bike Riding, Pilates, Cross Fit or Online Workout
SOCIAL CONNECTION TIME WITH FRIENDS (30 Minutes) Connect with the outside world. This could be via Zoom, Phone, e-mail or a social media platform
Ensure you are looking after yourself with enough sleep, adequate hydration and good nutrition

# ASSESSMENT

## Assessment

### Formative Assessment

Formative assessment:

- Refers to a wide variety of methods that teachers use to conduct in-process evaluations of student comprehension, learning needs, and academic progress during a lesson, unit, or course.
- Helps teachers identify concepts that students are struggling to understand, skills they are having difficulty acquiring, or learning standards they have not yet achieved so that adjustments can be made to lessons, instructional techniques, and academic support.

Teacher responsibilities:

- Set activities and key milestones to assess student progress with learning and assessment tasks
- Collect feedback from students at least once per topic/unit of work
- Provide feedback during the learning process to inform student progress eg. verbal, drafting, quizzes

NOTE: Allow 2-3 days if work must be posted as hard copy.

Student responsibilities:

- Complete formative assessment tasks as required
- Act on feedback provided to improve
- Seek further feedback or support as required

NOTE: If hard copy – please arrange to post or drop work to school to be received within 2-3 days off the due date.

### Summative Assessment

Summative Assessment:

- Is any method of evaluation performed at the end of a unit that allows a teacher to measure a student's understanding, typically against standardized criteria.
- Is used to gauge students' comprehension of the material presented at the end of a particular unit of work, and is often measured using a rubric to arrive at a final grade

Teacher responsibilities:

- Allocating summative tasks including timelines and due dates
- Mark and publish feedback and assessment results

NOTE: Allow 2-3 days if work must be posted as hard copy.

Student responsibilities:

- Uploading of summative tasks to Daymap
- Submit assessment tasks as per prescribed timelines via Daymap portal

NOTE: If hard copy – please arrange to post or drop work to school to be received within 2-3 days off the due date.

### Assessment Monitoring

Curriculum leaders to monitor Daymap and follow up academic progress concerns as required.

### Supervised Assessment Tasks

For tests or supervised assessment tasks undertaken at home a 'Student Declaration' form must accompany the test when submitted. (see Appendix#1 – SACE, Appendix#2 – other)

# ATTENDANCE

## Attendance

### Expectations

**Student attendance will be marked for the two teacher contact lessons per week** where the whole class is required via Microsoft Teams or other

Class roll codes:

- All students learning at home are marked in advance H – Home Study
- If a student is PRESENT/PARTICIPATES in the 'teacher contact' lessons the teacher will mark the roll with code P – PRESENT (for students learning at home or learning onsite).
- If a student is ABSENT in the 'teacher contact' lesson the teacher will mark the roll with code U – Unexplained

### Attendance Follow Up & Concerns

Parents are required to monitor Daymap attendance for each student:

- Explanation for all absences must be provided by Daymap to the relevant subject teachers.
- Depending on the reason provided, the absence will be reconciled as either I- Illness, C – Certificate or F - Family

In the event of an ongoing attendance concern: (absence for **4 lessons** or more for a subject):

- Follow up will initially be undertaken by the subject teacher via Daymap to parents.
- Subject teacher to add an Anecdotal Daymap note and notify the Year Level Coordinator.
- In the event of an ongoing attendance concern follow up will be undertaken by the Year Level Coordinator via phone or email.

# BEHAVIOUR

## Behaviour

### Student Expectations

For online lessons students are expected to:

- Join lessons on time
- Respectfully engage with teacher and peers
- Actively participate in group discussions/collaboration
- Students must be located in designated study spaces for all live lessons
- Wear school uniform or HPE uniform top for all live lessons.
- All students attending Clare High School must be in school uniform.
- All school behaviour expectations apply for online learning.
- It is recommended students take a 5 minute break away from screens between lessons and for the entirety of scheduled break times
- Ensure mobile phones or other mobile devices not required for the lesson are turned off
- Use of earphones will be required for some lessons (compatible to their own device).

### Student Behaviour Management (SBM) Procedures

- Students behaving inappropriately online will be removed from the live forums and parents contacted as required.
- Students behaving inappropriately while on site in a supervised study will be removed and parents will be called for an immediate Take Home.

### Staff Expectations

For online lessons staff are expected to:

- be professionally attired as per work day
- It is recommended staff take a 5 minute break away from screens between lessons and for the entirety of scheduled break times
- Ensure mobile phones or other mobile devices not required for the lesson are turned off

### Protective Practices

To ensure online safety of staff and students:

- All digital contact must only relate to teaching and learning or wellbeing.
- No sharing of personal internet locations, correspondence of a personal nature via social media, internet postings, or use of private online chat rooms.
- No uploading or publishing still/moving images or audio recordings of students to any location other than Teams or Daymap.

# WELLBEING

## Wellbeing

### Roll Class

All Roll Class teachers will:

- Establish a Team for their RC
- **Minimum of x1 'teacher contact' RC period** (including Teams live video stream component) per week
- This period will be used for the RC teacher to provide:
  - o Year Level information and communication
  - o Weekly notices
  - o Check on online learning transition
  - o Wellbeing information
  - o Academic program monitoring
  - o Support & referral as/if required
- The other RC sessions, RC teachers will be available for individual student consultation
- Rolls will be marked for this period

### Wellbeing Monitoring

All staff will record wellbeing, other concerns & follow up action in Daymap Anecdotal notes as per usual process

Wellbeing & Year Level Coordinators will:

- be available for consultation and referral of students at risk via email
- monitor Daymap and follow up wellbeing / behaviour concerns as required
- identify a list of 'students at risk' and follow up with parent/caregivers as required

**NOTE:** Study Room teachers will be available for Year 12 student support during their allocated timetabled lesson. Attendance will be marked on Daymap accordingly.

# PARENT CONTACTS

## Parents

Parent should contact the following people if any concerns arise:

### Initial Concerns

- Subject teacher – academic
- Roll Class teacher – attendance & wellbeing

### Ongoing Concerns

Curriculum Leaders – ongoing academic

- Mathematics – Justin Lodge
- Science – Clay Reid
- English – Karen Slattery
- Health & Physical Education – Kristy Lewis
- Languages/Open Access – Karen Slattery
- The Arts – Dan Bradley
- Technologies – Mark McCarthy
- HASS – Annasofia Hamilton
- VET – Kim Maynard

IT Coordinator – Luke Mensforth

SACE Coordinator – Clay Reid

Learning Support Coordinator – Rebekah Holland

Open Access – Karen Slattery

Wellbeing & Year Level Coordinators – ongoing wellbeing

- Year 7/8 – Lauren Honan
- Year 9/10 – Kylie Alozie & Lea Hooper
- Year 11/12 – Kim Maynard
- Mandy Knight – Student Wellbeing Coordinator
- Phil Parslow – Student Wellbeing Support

### Further Assistance

In the event that concerns cannot be resolved please contact:

- Assistant Principal – Katie Liebelt
- Assistant Principal – Derek Friedrichs
- Principal – Sharryn Daly

# PROFESSIONAL LEARNING (Staff only)

## Staff Professional Learning (PL)

### Staff Meetings & PL

In the event of a live stream PL, Year Level (YL) or Curriculum meeting, an invitation will be sent via email and Teams

- A whole staff Team will be established for PL purposes
- A Learning Area Team will be established for Curriculum meetings
- Year level Teams will be established for YL meetings

All meetings will be scheduled as per Term 2 Meeting Calendar

- See Daymap quick link (or as required in an emergency)

### Staff Shared Documents

- The main repository for all key staff documents remains Daymap
- Documents / files can however be shared via Teams for meeting/PL purposes

### Staff Training In Online Delivery Model

To deliver online learning via Teams all teachers will have training in:

- Log in to Teams
- Basic functions of Teams
- Creating a Team
- Setting Permissions in Teams
- Providing links for students to your Team
- Approving student Access to Teams
- Class Posts
- Live meetings – starting, camera, audio, removing students, mute, save recording, chat, share desktop/application
- Scheduled meetings in advance
- Staff Chat & Calls
- Zoom

### Future Staff Training Schedule (TBA)

# WORKING FROM HOME (Staff only)

## Working from Home Check-list

### Working environment

When working from home it is important to be aware of the working environment to set the arrangement up for success. Choose a dedicated work space, and, if possible, keep it separate from your spaces that are associated with leisure (for example, your lounge room/dining room!)

Typically, portable devices are not comfortable to use for extended periods, so you are responsible for ensuring your set up at home is ergonomically appropriate and free from hazards.

- Ensure that the work station is set-up as [ergonomically](#) sound as possible. Take into consideration non-adjustable chairs and desks, you may need to improvise (eg Phone books under foot can help to keep upper legs at a 45 degree angle and also be used to raise the top of the monitor to eye level).
- Ensure electrical leads are in good condition (not frayed).
- Do not cradle the phone between your neck and shoulder, use speaker option on your phone, taking into consideration confidentiality.
- Ensure you take frequent breaks, move away from the work station and apply stretch activities (every 20 minutes).
- Set clear and reasonable work hours. Be mindful of social interruptions to your work day.
- Ensure you notify your line manager of any leave (sick, carers etc).
- Review the [Working in isolation procedure](#) and consider frequent check-in with line manager, known medical conditions).
- Notify your line manager of any work changes.
- Ensure batteries are charged for battery operated equipment.
- Ensure you update any contact details with your line manager (consider alternative phone numbers)
- You may need to allow access to Departmental employees for business purposes ([Line manager and/or appropriate departmental employee\(s\) access to the home environment \(notice of 24 hours for routine access and immediate access for emergency situations\)](#))
- Be aware of potential hazards in the workspace (take into consideration home renovations, contractors etc)
- Apply good hygiene practices.
- Hazard, Injury and incident reporting - immediate notification to manager and log an [IRMS](#) report, including an asset claim or security incident.
- Should you require support for your psychological wellbeing refer to the following link [Psychological support](#) for EAP.

Any WHS enquiries can be directed to the WHS hotline 8226 1440 or email [education.whs@sa.gov.au](mailto:education.whs@sa.gov.au)

Enquiries for workers compensation 8226 7555 or email [education.im@sa.gov.au](mailto:education.im@sa.gov.au)

# STAFF INTERACTIONS AND MEETINGS (Staff only)

## Staff Meetings

Whole School Staff Meeting (where absolutely necessary) will be held in the Resource Centre and ensure that staff continue to follow social-distancing requirements. Staff meetings will be restricted to a maximum duration of one hour to limit the time spent within close proximity of each other.

Although schools remain exempt from many of the Social Distancing measures in place in South Australia, staff will ensure appropriate social distancing measures are implemented, where practical. It is suggested that staff use MS Teams Channels, meetings or Web Ex to engage in less formal meetings and discussions. All year level groups and learning area groups are encouraged to create and use Channels to facilitate discussions between staff members, minimising the need for face-to-face contact whenever possible. Smaller meetings between staff may be held in spaces that will allow for the required social distancing measures to take place.

## Staff Training for Online Delivery Model

Professional Learning will be provided to all staff to upskill to ensure they can continue to deliver quality online learning programs to students. Staff with existing expertise in the use of these tools and the delivery of online learning will be identified and will become Clare High School e-learning 'Champions'. Champions will support all Clare High School staff in their development of online learning programs; sharing strategies, hints, tips and examples of practice in the delivery of online student learning experiences.

## Student Free Days

Four Student Free Days in Term 1, Week 11, provide time for staff to prepare for the delivery of online learning programs from the start of Term 2, 2020. Across these four days, staff will engage in a range of workshops to develop their understanding of online learning best practice, upskill in the use of online learning tools and resources and in transitioning current learning programs into the online space.

Ongoing training in the use of digital technologies to support student learning experiences will be made available.

Staff are encouraged to contact Katie Liebelt if they are interested in further professional learning or if they are willing to provide professional learning for their colleagues.

Thank you to Marryatville High School and Blackwood High School for their contribution to this document.

Sharryn Daly (Principal)
