

Shaping Education So Students Thrive

Date: Friday 14th August 2020

Venue: Hickinbotham Hall, National Wine Centre

Guest Speaker: Professor Martin Westwell

Professor Martin Westwell is Chief Executive of the SACE Board of SA.

Martin will speak with SASPA members about the recently approved 2021 – 2023 SACE Board of South Australia's Strategic Plan and, where appropriate, will make connections to the soon to be released Shergold Report (commissioned by Australia's Education Council in 2019, and related to optimising senior secondary pathways into work, further education and training). Martin will also reference exciting collaborative work currently underway in SA where Learner Profiles are being developed and piloted with guidance and support from the University of Melbourne's Assessment Research Centre (ARC).

It is both a challenging and an exciting time to be a secondary education leader in South Australia as we continue to shape education so students thrive.

PROGRAM

2:15pm	Arrival.
