“How Are Secondary Leaders Responding to Emerging Curriculum, Pedagogy & Wellbeing Needs?”

Monday 21st September 2020

The National Wine Centre of Australia

The Gallery Room – Level 1

Forum’s Purpose:

To explore our thinking about the best ways to accommodate systemic changes that are impacting on how time is used effectively, efficiently and equitably to meet the curriculum, pedagogy and wellbeing needs of students in junior secondary and senior secondary contexts.

Topics for Exploring:

1. The thinking or philosophy behind an effective, efficient, and equitable secondary timetable.
2. The impact of Year 7s transitioning to HS on timetabling.
3. Timetabling the introduction of Career Development into junior secondary.
4. The impact of changes to VET Funding on senior secondary timetables.
5. The influence the SACE Strategic Plan (2020-2023) may have on timetables.
